## A CERTIFICATE PROGRAM BY TVRLS

BATCH 3: 19 & 20 NOVEMBER, 2020

### THE POWER TO SPOT AND MANAGE TALENT-NOW IN YOUR HANDS

We live and work in a knowledge-based era in which the drivers of value are not machines but human resources and intellectual capital. Staying ahead of competition is not just about producing mechanical results; rather it's about making the most of the highly dynamic brainpower.

Talent Management is a conscious approach to attract, develop and retain talent with aptitude and abilities to meet current and future organizational needs. The changing environment enforces talent management for bringing about individual and organizational development.
